February 2, 2026

Dear Parents,

Our students have completed the middle of year MAP Growth assessments. The results of these assessments are now available in Skyward in the student portfolio. Our students performed exceptionally well in both math and reading. Our 2nd-4th graders also showed growth in language usage, and 3rd-4th graders also showed growth on the science MAP assessment.

MAP Growth scores are only one data point that teachers use to determine how a student is performing so they can best plan for instruction for each student. Based on all data collected, your child's teacher is happy to answer any questions and will communicate further information throughout the semester.

We believe this assessment is an effective measure since it provides very detailed information in math and reading which helps us plan and differentiate our daily instruction for your child.

If you have additional questions about MAP Growth, you can reference the Family Toolkit or Parent Guide linked below.

Please reach out to your child's classroom teacher with specific questions regarding your child's MAP scores.

Sincerely,

Betsy Cummins

Armstrong TAG testing for registered students will take place the week of **January 30–February 6**. Testing sessions are scheduled across multiple rooms on campus and coordinated to meet students' individual needs, so we cannot provide specific dates or times for families.

What to expect:

- Testing will be administered during the school day; students will be pulled from their classroom for their session.
- Students will not be tested during their scheduled lunch.
- Testing will occur in several different classrooms across campus, so you may notice increased movement throughout the day.
- Sessions vary in length depending on the assessment; students will return to their regular classes when finished.

How you can help:

- Ensure your child arrives at school on time and is well-rested.
- Avoid scheduling appointments during the school day that week.
- Send a healthy snack if your child typically needs one during the school day.

If you have questions about TAG testing, please contact Blair Smith at smithb@hpsd.org.

Thank you for your support!

Registration begins 7:30am, Wednesday, Feb. 4!

Armstrong PNO

Dear Community Partner,

The Dallas County Elections Department is currently recruiting dedicated and community-minded individuals to serve as Regional Site Support Staff for the 2026 Dallas County Elections. As voter participation continues to grow, expanding our team is essential to meeting the needs of Dallas County voters.

This would be a great opportunity for your students to:

- Serve your community and support the democratic process
- Gain hands-on experience in election operations
- Work in a fast-paced, team-oriented environment
- Develop transferable skills such as problem-solving, logistics support, and customer service
- Earn competitive pay for short-term, impactful work

We kindly ask your assistance in sharing this information with your students and staff. Attached, you will find a flyer with information pertaining to the upcoming virtual informational sessions.

During the informational session, we will discuss job responsibilities, expectations, pay, and the application process.

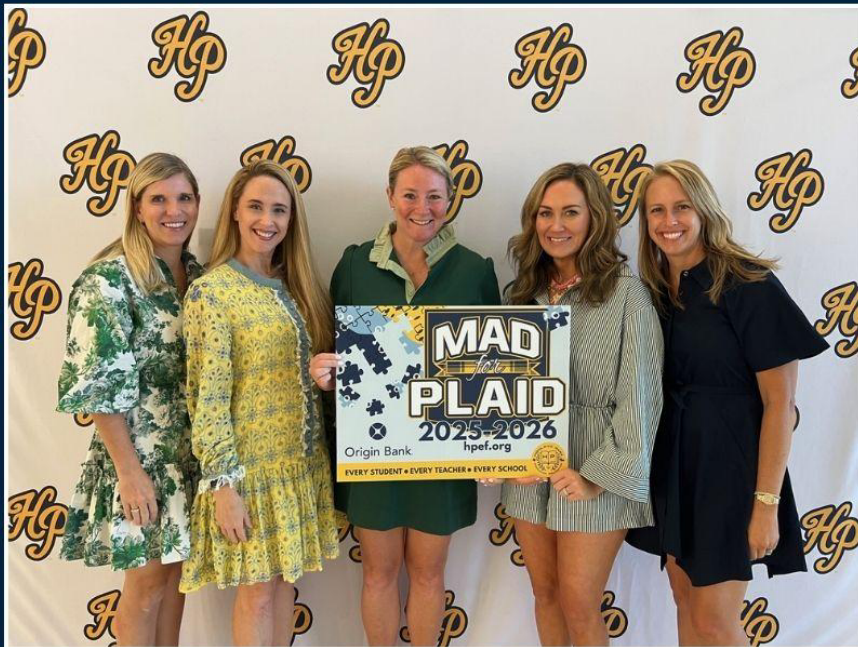

Please do not hesitate to contact me if you have any questions.

Warm Regards,

Katina Prescott

MAD FOR PLAID IS HERE! LET'S REACH 100% PARENT PARTICIPATION!

Mad for Plaid is the HP Education Foundation's districtwide annual campaign, which raises funds for HPISD's most critical budget needs. Currently, that need is support for teacher and staff salaries.

Parents! Let's show our support for the great educators in this District!
All donors in the Park Cities will receive a yard sign.

Mad for Plaid is here! And YOU are an essential piece of the puzzle!

What is Mad for Plaid? Mad for Plaid is the HP Education Foundation's annual campaign, the only districtwide fundraiser for HPISD. It raises essential funds to support the District's most critical needs. This year, that need is clear: raising the bar for teacher and staff salaries across all campuses. Giving to Mad for Plaid is the best way to directly support our incredible educators!

Why Give? For 2025–26, HPISD is providing 7–10% salary increases to ensure our teachers rank in the top quartile for pay in North Texas. To help make this historic investment possible, our foundation has committed a \$1.8 million gift to HPISD - funded through the Mad for Plaid campaign. But we can't do it alone. We need YOUR support. Your gift to HPEF directly impacts every student, every teacher, and every school. Together, we can continue to attract, retain, and reward the exceptional educators who make HPISD a leader in education.

How to Give?
