March 23, 2026

Dear Armstrong Families,

I hope you enjoyed a wonderful Spring Break! As we step into the last nine weeks, we are excited to refocus, reconnect, and finish strong! We are excited about all the upcoming spring events at Armstrong and throughout HPISD. Our teachers, staff and families work together to provide the best education for all our wonderful students. Thank you for your dedication to our school.

Please plan to join one of the All Things Armstrong sessions at 8:00 a.m. or 5:30 p.m. this Wednesday, March 25 in our auditorium. We will be discussing exciting ideas and plans for the playgrounds and fields!

Each child's success is of utmost importance to our staff. We are committed to providing high-quality instruction that meets the individual needs of each student. Thank you to our families who completed the School Experience Survey earlier this semester. Our staff and Campus Leadership Committee have had the chance to review all the data from students, staff, and parents. We observed trends, celebrations, and opportunities for the 2026-27 school year. We have so much to celebrate such as a safe school environment, caring and respectful teachers and staff, volunteer opportunities, and effective communication. **Our areas of opportunity include communication regarding student progress, challenging our students with their schoolwork and providing additional food choices in the cafeteria.** The school experience survey results are posted in their entirety on the HPISD webpage

at this [link](#). Our campus leadership teams have started brainstorming action steps that we can take to improve in these areas. Thank you for partnering with us to provide this feedback.

We look forward to sharing our progress throughout the 2026-27 school year. Please let me know if you would like to provide additional feedback to ensure that we are providing the best for our students and families each day.

As always, please reach out to me or your child's teacher if you have any questions or concerns. Let's have an amazing last four days of school!

Sincerely,

Betsy Cummins

Grandfriends Day

ARMSTRONG | 2026

Grandfriends' Day is an Armstrong tradition when grandparents or a special family friend visit your student(s). A grandfriend's presence brings fairytale magic to the day, creating storybook memories as students share their work.

Mark your calendars for **April 2** & be sure to let your grandfriends know. To help everyone enter the building smoothly, please use the below link to pre-register any adult who will be visiting during school hours.

Volunteers will welcome grandfriends (parent attendance not required) at the front door & guide them to the auditorium, where coffee and cookies will be served during a short wait until they go to the classrooms. Elevators are available for those needing assistance inside the school, & valet parking will be located at the front entrance on Cornell.

We need your help!

The Spirit Shop needs your help! We currently don't have volunteers signed up for the rest of the year, (Mondays and Wednesdays) and the kids absolutely love when the store is open. The shift is just 7:30–8:00 AM, and it's a fun and easy way to get involved. Even better, it's a great activity to do with your child—they'll love helping out and seeing their friends before school. If you have a morning to spare, we'd be so grateful for your help!

Our practical talk series equips parents, educators, and ministers to navigate life's challenges with resilience and purpose—drawing on mental health insights, faith, and effective communication to inspire lasting transformation.

Youth & Difficult Thoughts: Suicide Prevention, Response, and Postvention | Tuesday, February 10, 6:30-8 pm
Nathaniel R. Strenger, Psy.D., Licensed Psychologist

Talk of teen suicide is terrifying. But, few things are more protective than an informed and collaborating community. At this Inform talk, we will equip parents, ministers, educators, and caregivers to take on an uncomfortable subject with confidence. We'll discuss preventative communication and the role of faith and community in well-being. We'll practice difficult conversations about risk factors and help-seeking. These are the foundations of community suicide prevention, response, and postvention.

Empty Nest: Prepare for Launch | Tuesday, April 14, 6:30-8:00 pm

Carrie Davidson Psy.D., Licensed Psychologist and Clint Donaldson, LPC-S

As we prepare for an empty nest and the launch of kids, how can we have a sustainable relationship with our young adult/college child. When do we step in and when do we step back? How can we encourage our kids to apply faith and values independently of us and be resilient, confident, and self-sufficient.

The Mental Load for Moms | Tuesday, September 1, 6:30-8:00 pm

Katie Campbell, LCSW and Lindsey Parker, LPC

The "mental load" or the invisible, constant, and often exhausting cognitive and emotional labor many moms carry—planning, remembering, organizing, anticipating needs, managing schedules, and keeping the household and family running— is a burdensome weight on Moms. We will help shine a light on the unseen work mothers do, how it impacts mental health, and what healthier balance can look like. Moms will leave with practical resources how every aspect of their lives – relationships, faith, physical well-being, emotional lives – can sync together for contentment and resilience in life.

Holding On and Letting Go: Managing Holiday Grief After Loss | Tuesday, November 3, 6:30-8:00 pm

Sandy Robinson, LPC-S

The holiday season can amplify feelings of grief, especially for empty nesters coping with the loss of parents or adjusting to new family dynamics. This discussion offers a compassionate space to explore how grief intersects with traditions, faith-life, expectations, and emotional well-being during the holidays. Participants will learn practical strategies for honoring memories, managing loneliness, and finding meaning in this season of change.

There is no fee to attend, but we ask that you RSVP so we can prepare seating and send you a reminder before the event. To register, go to TheCenterCounseling.org/Inform or scan QR.
