E A G L E S

March 24, 2025

Dear Armstrong Families,

It's a busy, fun week at Armstrong! We hope you can join us for **Open House this Wednesday, March 26, from 4-5 pm**. Our teachers, staff, and students have worked hard preparing the classrooms and flex spaces so that you can see their diligence and hard work in all content areas. You will be able to truly experience where your child learns and interacts each day. On **Thursday morning, March 27, we have Grandfriends Day!** We created a staggered schedule this year as a response to feedback from various stakeholders, so we hope it's an organized, enjoyable experience for your family. Please see the following schedule:

The graphic features a blue background with a white banner at the top that reads "GRANDFRIENDS DAY" in a stylized font. Below the banner, the date "MARCH 27TH" is written in white. In the center is a ship's steering wheel with a heart-shaped rope knot in the middle. Below the wheel, the word "SCHEDULE" is written in large, bold, black letters. The schedule is listed in black text, showing staggered arrival times for different grade levels: PRESCHOOL (8:00-8:35 AM), 1ST (8:40-9:15 AM), 2ND (9:20-9:55 AM), KINDERGARTEN (10:00-10:35 AM), 3RD (10:40-11:15 AM), and 4TH (11:20-11:55 AM).

GRANDFRIENDS DAY

MARCH 27TH

Grandfriends Day is an Armstrong tradition when grandparents or a family friend can visit your student(s) in their element! In an effort to get all grandfriends into the building on time, please pre-register any adult who will be in the building during school hours.

Volunteers will be at the front door to help guide our grandfriends into the auditorium where they will wait for their Grandchildren to meet them. We will have coffee and cookies in the auditorium while they wait. Our elevators will be available for use by grandfriends requiring additional assistance, and valet parking will be available at the front entrance on Cornell.

Parents,

Do you have a child who loves to play golf and might be interested in playing on the high school team one day? If so, Coach Mercedes Trent (girls golf) and Coach Richard Wager (boys golf) would love to get to know who those kids are.

With most high school sports, coaches get to know their future players through middle school athletics/youth sports organizations. Golf is not one of those sports. Coach Trent and Coach Wager would like to get to know their future players earlier than right before their freshman year. If you think your child could be interested in playing high school and would like to know what you should do to help them prepare for that, please reach out.

Coach Trent – trentm@hpsid.org

Coach Wager – wagerr@hpsid.org

Thank you and we look forward to hearing from you!”
