Dear Armstrong Families,

I hope you enjoyed the beautiful weekend! It's going to be another great week of learning and fun at Armstrong! As we all know, safety and security is of utmost importance in Highland Park ISD. I want to make you aware that we will have our first lockdown drill Wednesday, September 13 around 9:00

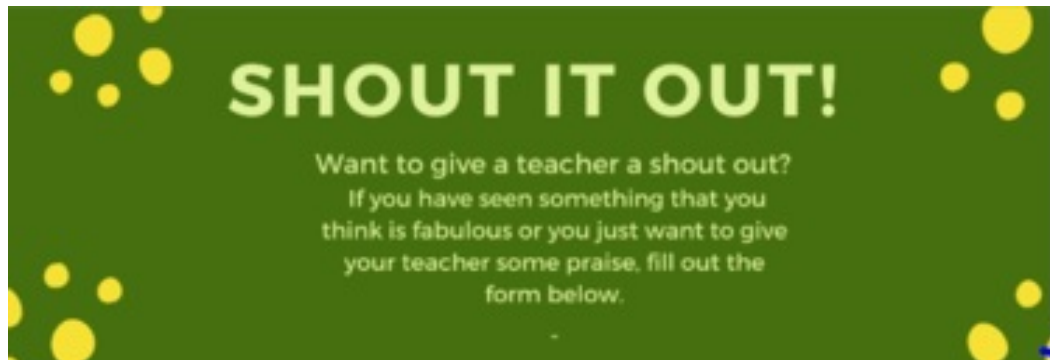

a.m. Teachers have prepared the students for this drill, and we will remind the students in the morning about the procedures for this safety drill. Lockdown is used when there is a danger in the building, so classroom doors are locked and students are out of sight. (Locks, lights, out of sight) Students maintain silence and remain behind a locked door.

Let's continue to celebrate all the great things happening at Armstrong! Our amazing Armstrong staff works incredibly hard to meet the needs of our students and always keeps teaching and learning the focus each day. Please take a few minutes to fill out this [Google Form](#) to give a staff member a well-deserved Shout Out! As always, I value your input and feedback. Please let me know if you need anything or have any questions.

Sincerely,

Betsy Cummins
