January 20, 2026

Dear Parents,

I hope everyone enjoyed the holiday weekend. At this time of year, we typically see an increase in illnesses. I hope that your family is staying well, but if your child is sick, please keep him/her home from school. Remember that students who have fever must be home for 24 hours once the fever resolves (with no fever reducing medication). We also ask that you keep your child at home for 24 hours after their last bout of vomiting or diarrhea. Even when your child doesn't have either of these symptoms but you believe they are sick because they are not themselves or something just "isn't right", please err on the side of caution and keep your student home.

We want our students at school as much as possible but also want them to be home to rest and recover when they are sick.

Thank you for sending positive shoutouts for our campus staff members throughout the school year. Another way that the district recognizes staff members is through **"Heart at Work"** awards. Please see the following link to nominate an Armstrong staff member who makes the well-being of our students a priority. Later in the semester, one professional and one paraprofessional from each campus are chosen from these nominations to be honored at an awards banquet and with a monetary gift. There are more details included at this link.

We will communicate any updates that we receive regarding the inclement weather forecasted for later in the week. Have a fantastic week!

As always, feel free to reach out to me with any questions or concerns.

Sincerely,

Betsy Cummins

Armstrong TAG testing for registered students will take place the week of **January 26–30**. Testing sessions are scheduled across multiple rooms on campus and coordinated to meet students' individual needs, so we cannot provide specific dates or times for families.

What to expect:

- Testing will be administered during the school day; students will be pulled from their classroom for their session.
- Students will not be tested during their scheduled lunch or recess times.
- Testing will occur in several different classrooms across campus, so you may notice increased movement throughout the day.
- Sessions vary in length depending on the assessment; students will return to their regular classes when finished.

How you can help:

- Ensure your child arrives at school on time and is well-rested.
- Avoid scheduling appointments during the school day that week.
- Send a healthy snack if your child typically needs one during the school day.

If you have questions about TAG testing, please contact Blair Smith at [smithb@hpisd.org](mailto:smithb@hpisd.org).

Thank you for your support!

**PNO has been cancelled for January 23rd. If you would like to pick your check up in the office, please do that as soon as possible or let us know if it is ok to shred it.**

**Thank you for your understanding.**

# MAD FOR PLAID IS HERE! LET'S REACH 100% PARENT PARTICIPATION!

Mad for Plaid is the HP Education Foundation's districtwide annual campaign, which raises funds for HPISD's most critical budget needs. Currently, that need is support for teacher and staff salaries.

Parents! Let's show our support for the great educators in this District!  
All donors in the Park Cities will receive a yard sign.

**Mad for Plaid is here!** And YOU are an essential piece of the puzzle!

**What is Mad for Plaid?** Mad for Plaid is the HP Education Foundation's annual campaign, the only districtwide fundraiser for HPISD. It raises essential funds to support the District's most critical needs. This year, that need is clear: raising the bar for teacher and staff salaries across all campuses. Giving to Mad for Plaid is the best way to directly support our incredible educators!

**Why Give?** For 2025–26, HPISD is providing 7–10% salary increases to ensure our teachers rank in the top quartile for pay in North Texas. To help make this historic investment possible, our foundation has committed a \$1.8 million gift to HPISD - funded through the Mad for Plaid campaign. But we can't do it alone. We need YOUR support. Your gift to HPEF directly impacts every student, every teacher, and every school. Together, we can continue to attract, retain, and reward the exceptional educators who make HPISD a leader in education.
